Credit Card Deposits

When choosing an account base currency other than USD, Client's credit card may be debited sums which due to exchange rates and credit card companies' fees, may slightly vary from the initial sum that has been deposited by Client in the account base currency.

Client hereby accepts that such variations may occur and hereby affirms that Client shall not seek to object or charge this back.

When depositing by a Bank Transfer, as required by Anti Money Laundering regulations, Client is required to use only one bank account, which is in Client's country of residence and in Client's name. An authentic SWIFT receipt, showing the origin of the funds, must be sent to MOGA SV.

Failure to submit such SWIFT may result in the return of the deposited amount, hence preventing the deposit of such pending amounts to Client's account.

Any withdrawal of funds, from Client's MOGA SV account to a bank account, can only be refunded to the same bank account that the funds were originally received from.

Alternative Payment Methods (internet payment vendors; money transfer services; etc.)

When depositing funds using a facility other than credit cards and/or banks, you agree to, and

acknowledge being bound by, the regulations and rules of such service, including, but not limited to, fees and other restrictions.

MOGA SV, at its sole discretion, may execute withdrawals to a facility other than the facility used for the original deposit, in accordance with Anti Money-Laundering regulations.

Client acknowledges and accepts the following procedures with respect to deposits and withdrawals to accounts:

Withdrawal orders

The provision of documentation as may be required from time to time by AML (Anti Money Laundering) regulations, credit card companies and MOGA SV, is a prerequisite, prior to the execution of a withdrawal order.

Credit card deposits may be, according to credit card companies' regulations, returned to the same credit card when a withdrawal is performed.

A withdrawal to a bank account where initial deposits have been performed by credit cards will be executed back to credit card (first 180 days) or to the bank account within three business days, at the Company's sole discretion.

Withdrawals to bank account may take a longer time period, due to additional security procedures.

Withdrawals and bonuses

The Client shall be entitled to withdraw any bonus received, in accordance with the Terms and Conditions, only after executing a number of lots equal to $0.2 * \text{Bonus} = \text{number of lots required}$.

If a client requests to withdraw before executing the number of required lots, the bonus will be deducted from his total balance.

Withdrawal of profits after receiving a bonus:

If the deposit was withdrawn immediately after the Bonus receipt, the company reserves the right to cancel the Bonus for this trading account.

In order to obtain the Bonus, it is necessary to pass the procedure of identification by sending high-quality scanned copies of identification documents, as further stipulated in the Terms and Conditions.

Refund Policy

Under the company's fraud-protection policy regarding credit card transactions, clients who have deposited funds into their trading account via a credit card may make withdrawals up to their deposit

amount back to the same credit card in the first 180 days of the initial deposit. Withdrawal of funds exceeding the initial deposit amount within the first 180 days may be made via alternative withdrawal options.
